RE: ANNUAL REPORT FORMS 2008

Dear Sisters in the League:

We have included the Annual Report Forms for the year 2008 in your August mail-out. It is so important for your Standing Chairs to complete these forms, as the information that they provide us is an important means of communication for our Diocesan Officers and also enables us to let Provincial and National Council know what is happening at the parish level. I hope that councils have been keeping track of all the special events, anniversaries, and awards that have been celebrated this past year. We also need the information on the type of activities that your council has been involved in and the groups and charities that you have supported.

Report deadlines are crucial, so we hope that when you meet in the fall, your Standing Chairpersons are able to start working on these reports. I would ask that the Secretary collect these reports and mail them to your respective Zone Chairperson (Mailing Roster attached) by November 30th. The Zone Chairperson needs to have the reports sent to me by **December 15th, 2008**. Time lines are important as the Diocesan Officers need to compile the information from these reports and send their reports on to their Provincial counterpart.

I would like to thank you for the work that you do for your council and for the league. May you have a blessed and fulfilling year.

For God and Canada
