SECRETARY COMMUNIQUÉ AUGUST 2009

Dear Sisters in the League:

Have you ever noticed that the older we get, the faster the time goes? This is certainly the case for me. I have been extremely busy learning the role of Diocesan Secretary.

I have never been a formal organizational secretary before, I was/am sceptical, and I just plunged in anyway. I became Diocesan Council Secretary in May 2009. I am willing to learn, willing to change and I welcome any questions you ask and any advice or tips you want to give me. This includes computer how-to and tips. It is my aim to work at this role to do a satisfactory job for God and the League.

I have found that the League is just bursting with a wealth of information and help in any subject or role you choose to research or learn. I think all the internet websites are just great. It is amazing what women can do when they get together and donate their time and energy to a cause. Teamwork really works.

Many thanks to all the women who have come before me and made this position so that anyone can learn.

I hope to meet with many of you at the Fall meeting on Saturday, September 26, 2009 in Red Deer.
